

“Women United Summit” Sponsorship Opportunities

October 1, 2024 – 7:30AM-2PM
Greenville Convention Center

The Women United Summit is an inspiring event where we celebrate the power of women to lead the way for greater change and advocate for the betterment of Greenville County women. Through powerful workshops and our keynote speaker, Angela Garbes, featured at our luncheon, this event aims to educate and inspire all women in their professional, personal, and philanthropic journeys. Highlighting the Women United “Jobs to Careers” scholarship, we honor the significant philanthropic impact made in the lives of our own Greenville County women. Together, let's inspire change and celebrate their remarkable influence.

Your sponsorship will play a crucial role in supporting the workshops, luncheon, and scholarship, helping to ensure the success of the Women United Summit and its mission to empower and uplift women in Greenville County.
